## BRANDI LIONS

I love the taste of cock in the afternoon, and I love to have it deep in my pussy... and even deeper in my tight starburst. I get all wet and horny waiting for cocks to split my pussy lips and plunge inside. Then, I hope they will fill every one of my holes. I don't think there was a spot in the garage that we didn't leave our wet marks on.

# SEX BY THE NUMBERS

*Discover her number  
and you'll hold the  
key to sexual success*

Numbers, the numerologists tell us, can be the cause of love blessings—and love curses. Virility, frigidity, seductiveness, faithfulness and sexual compatibility are alleged to be influenced by the planets, and these in turn are influenced by a number or a collection of numbers.

Most people are aware of a mysteriously occurring number or group of numbers in their lives. Sometimes they become convinced that their destiny appears to be ruled by such a number or numbers. They rely on their “lucky” number instead of picking one at random when playing games of chance.

It is quite true that some people are born on the ninth of the month, married on the ninth, live in a house bearing the number 9, and die during the ninth month of the year on the ninth day. Or they work in an office building whose number is nine, or they have a phone number which includes nine. This particular number seems to follow them throughout life, bringing either good fortune or misfortune.

A classic example was that of Henry Wadsworth Longfellow, one of America's most famous poets. Nine was his ghost digit, influencing his entire career. He was born on 2-27-1807. If you add those figures of the year together they total 27. Add 2 and 7 and the total is 9.

Longfellow was 18 when he left college. Add 1 and 8 for a total of 9. Nine years later when he was 27—9 again—he became a professor at Harvard University. He was there for 18 years (9), and during

his lifetime published 18 (9) volumes of poetry.

The year he was appointed to Harvard was 1836. One and eight are nine; three and six are nine. He resigned his position in 1854, again 9. The exact date of his resignation was 2-16-1854. The first three digits add up to 9. So do the 1 and 8 and the 5 and 4.

The date of his first wedding was 9-14-1831. His second wife died when he was 54. They were married 18 years. His most monumental work was his anthology *The Poets and Poetry of Europe*, which was first published in 1854 (1 and 8 make 9; so do 5 and 4). Twenty-seven years later (9) it was reprinted and a supplement added.

The total number of pages in the new edition was 1,116—again the number 9.

### **The Numbers Game**

The carnal numbers game works for both sexes. Numerologists point out that the value of studying your own carnal number—the one that seems to haunt you more than any other—and that of your potential sex partner lies in gaining extra information about living and loving trends and possibilities for the future.

They are a mystic guide to character, personal preferences and important future events in one's life.

Now think a little. What number is haunting you? It may be having a great and mysterious bearing on your sex life, your job, your finances, friendships and every mode of living.

The very shape and form of numbers are considered to have a sexual significance. See if you can figure out the connections by looking at the following breakdown:

1. *The male symbol*
2. *The female symbol*
3. *The female breasts*
4. *The lips*
5. *The legs*

6. *The navel*
7. *The spine*
8. *The muscles*
9. *The sex organs*
10. *The womb*

The figures 1, 8 and 9 are masculine. Feminine numbers are 2, 3, 4 and 0. Numbers regarded as both masculine and feminine are 5, 6 and 7 because they are common to both sexes.

### **The "1" Woman**

The number 1 is the leading number and most fortunate, according to the experts. It represents the male's ability to reproduce and it denotes virility and strength. If a female is "haunted" by this number she is indeed fortunate, for she possesses out-of-the-ordinary capacities for charming the opposite sex—physically, spiritually and emotionally. Her strength of character and courage is beloved by males and admired or envied by females.

### **The "2" Woman**

Though the number 2 is a female number, it has also been associated for centuries with the devil and all his works. The woman influenced by this number is often plagued with self-doubt and misgivings about her sex life. "Two" represents diversity and antithesis, difference, suspicion and discord. It projects evil and is diabolic in many of its applications—two edged, two-faced, two-timing, double-crossing, and double-dealing, double-talk, and dual personality.

"Two" females have strong but unstable sex lives lasting well into old age. Often they outlive their husbands and marry three or four times. Their "black magic" attraction for the opposite sex is extraordinary, even though they tend to develop a domineering and imperious attitude toward their lovers or husbands as early as their mid-20s. They are superb homemakers and strict disciplinarians where children are concerned.

### **"3" is Trouble**

The number 3, though depicting the female breasts looking from above, represents a threesome and therefore a distinct tendency to promiscuity. A single love partner, no matter how determined and accomplished, can never hold in check the insatiable instincts of a "3" female. She seduces and loves wherever she is welcome and tends to shy away from permanent entanglements.

Number 3 women frequently fascinate males through their sheer physical attractiveness and sexuality. Numerologists associate females haunted by

this number with a swinging, romantically satisfying single girlhood involving an ever-changing variety of boyfriends and lovers.

### ***The Faithful "4"***

The "4" female is complete, self-sufficient, with a strong sense of sympathy, justice, rhythm and order. This number, like the person it adopts, is precise and clean-cut. It is the number counted in marching. It occurs in four corners, four directions, walls, within arms of a cross. There are 4 freedoms, four limbs, four seasons, four weeks of the lunar month responding to the four phases of the moon.

Four represents the faithful, worshipping lover, the partner who dislikes change but craves attention and insists upon it. Forty-four is usually her most satisfying and happiest year and also her luckiest number.

### ***The Perfect "5"***

Five represents the woman who is the perfect complement to her chosen man, revealed to her

endearingly in all his glory and all his shame. It is a number that seems to stick to the average, perfectly normal female and is highly susceptible to masculine influence. It is the complete number, the one with no nonsense or splitting of hairs, and its overriding trait, according to the stars, is constancy.

"Five" obeys the dictates of nature rather than the refinements of civilized man. She is aggressive in her lovemaking but never demanding. Her whole life is bound up with nature and her scheme of things—5 fingers, senses, terrestrial zones, points of a star, cards in a poker game, pentatonic scale, pentathlon, Pentecost, Pentateuch (the first five books of the Old Testament). Five has always been regarded as a mystical number, possessing great influence over demons and evil spirits.

---

***I pressed my eye to the peephole. Nancy stood on the landing. Talk about rotten timing! Undoubtably, my boss had come straight from work.***

---

### ***Bi "6"***

Six represents indecision and dual sexuality. It seems to stick to the undecided, the doubting one, the incomplete one who likes to be ultra-feminine at one time and sexually aggressive at another.

Six has some attributes, however, since it is the smallest perfect number. This means that it is equal to the sum of its divisors smaller than itself: 6 equals 1 plus 2 plus 3 equals  $1 \times 2 \times 3$ . The sex life of "6" is often at 6s and 7s and her dalliance with male partners is often "six of one and half a dozen of the other."

### ***Mystic 7***

Seven represents a mystic lover. Her influence on men is almost supernatural. In fact, 7 is the most sacred number of all magic and the supernatural. It is also an extremely lucky number, which explains why the majority of people, when asked what their lucky number is, answer "7" without hesitation—even if they have no proof of this.

Dante, in his famous *Inferno*, mentions the 7 deadly sins: pride, wrath, envy, lust, gluttony, avarice and sloth. Shakespeare divides the life of man into 7 ages: the infant, the schoolboy, the lover, the soldier, the justice, and the pantaloons and, at last, second childhood.

The woman who is lucky enough to be "starred" by 7, however, usually escapes all of Dante's sins and Shakespeare's ages. Though no paragon of virtue,

her reputation as a perfect lover remains unsullied throughout a long life sweetened by the unstinting admiration of the opposite sex and by unlimited opportunities for self fulfilment in romance and marriage.

### **Carnal "8"**

Eight is known to numerologists as the life-and-death number. It marks both the creator and the killer. Famous artists have claimed 8 as their lucky number, only to condemn it as evil in their later years. English artist John Constable stacked his paintings, now priceless, in piles of 8 against the walls of his studio, in the belief that the use of 8 would sell them. His hunch was correct, but they would probably have sold anyway.

Dutch painter Vincent van Gogh believed 8 was his mystic number. Yet in 1888 he became insane and is said to have cut off one of his ears because

he saw in it a resemblance to the figure 8.

Eight is a "carnal" number, bestowing on its subjects benign and creative properties. It is said to ensure multiple pregnancies in the female. A mother possessing the number 8 tends to have twice as many children as her less prolific contemporaries.

### **Loyal "9"**

Nine, the trinity of trinities, is the perfect plural and is credited with unlimited mystic properties in the game of lovemaking. An ancient superstition says that the first young man to pass beneath the lintel post of a door over which has been hung a pod containing nine peas, will marry the girl who placed it there.

Perfection is "9's" byword, and she has no time for deceit or disloyalty. The number's mystic sexual

---

***The figure 10 represents physical love and also completeness, finality, accomplishment and the birth of a new life.***

---

completeness is illustrated in the 9 months of pregnancy.

There are 9 Muses, 9 worlds of Norse mythology, 9 planets, 9 days' wonder, cat-o'-nine-tails, 9 lives in a cat, 9 tailors that make a man, 9 stitches saved by a stitch in time. And legally and romantically, "Possession is nine-tenths of the law." Millions of people consider 9 as their ghost number, haunting them at every opportunity, and there certainly is something very peculiar about the way "9" behaves. For instance, the ninth month of the year is September—and there are 9 letters in that name. There are also 9 letters in the word used to describe that certain exciting aura radiated by people blessed with this number: sexuality.

### **Complete "10"**

The figure 10 represents physical love and also completeness, finality, accomplishment and the birth of a new life. Ten were the Commandments. We have 10 fingers, tenpins, the old system of taxation by tithing, 10 seconds for a knockout, 10 to count up to when exploding with anger.

Ten is the talisman of the creative woman, the woman who originates ideas that work, not only materially but in a romantic sense. She craves experimentation with eligible males and deliberately lures them into romantic entanglements.

Often this is distinctly against her initial desires, but "10's" feminine completeness and persuasiveness convert male reluctance into eager interest and anticipation.

A photograph of two young women with long brown hair kissing outdoors. The woman on the left is wearing a dark olive green tank top and black shorts. The woman on the right is wearing a pink and black striped top. They are standing in front of a brick wall and green foliage. The lighting is bright, suggesting daytime.

We have really busy lives and find it hard to carve out a little time for our husbands anymore. We grew more and more apart and we found we liked our freedom. But what we found is that we really like mutual masturbation with each other. As best girlfriends, we've been doing each other since, well, for a long time. We'd get naked and play with each other's clitties. Now we've graduated to strap ons!

# fit to fuck abella danger

We're so excited to have Abella in our issue this month. We've been following her explosive career for the last few years, and few have impressed us as much as this little vixen. Yes, she has all the prerequisite features for a top star: a ballet background, mile high club experience, and a bubble butt that looks like it's always about to pop. But that's our job - to report on her job.

## let's break in this sofa

Leah just moved in to her first apartment of her very own and immediately invited her man over to break in the new furniture she bought! When the sofa was finally set up, they decided to break it in with a good fuck. The sofa provided new and fun ways to try out a variety of sexy positions.

always ready, always wet

Jenna's at home today. It's very flattering for someone to think of me as 'fuckable' because I think I am. As a matter of fact, I've turned my fuckability into a business that I can take anywhere I like and with whomever I like. I can't say there are too many ladies out there that can say the same.

*The real money,  
I knew from experience,  
would be in the safe.  
She pushed the sack across the counter as if it held  
a poisonous snake.*

The place was an easy mark, especially at midnight; it was one of those dingy gas stations alongside a stretch of rural highway in the middle of nowhere. A pair of fuel pumps, battered and outdated, fronted the small store.

I slid out of my old car, the reassuring weight of a .38 tugging at my lower back. A cowbell tethered to the door clanged and clunked as I entered the store. The female clerk paid me no heed; she was engrossed in a true crime magazine with a lurid cover.

How appropriate, I thought amusedly. Downright perfect . . .

I produced the gun and pointed it at her. "Give me the fucking money!"

Her freckled face registered shock. She dropped the magazine in her lap. It slid off the side of her thigh and flipped to the floor.

"Alright, alright," she pleaded. "Don't shoot . . ."

I waved the gun menacingly. "Hurry up! I ain't got all night!"

The clerk opened the cash drawer. She was terrified. Her hands trembled. She had a difficult time handling the money. I didn't tell her to bag the loot. She did it anyway, filling a plastic sack with singles, fives, tens, a pair of twenties. The real money, I knew from experience, would be in the safe. She pushed the sack across the counter as if it held a poisonous snake.

I wanted her to open the safe. But that would take time. And I needed to get the hell out of there. I could see some random asshole showing up for a quart of milk, a complica-

tion I needed like I needed a dose of the clap. Still, I wanted more dough than the sack contained. That was just chump change, what my late father called "soda pop money."

The clerk searched my face. Too much for my liking. She was filing my features in that pretty blonde

head of hers. "Can you describe the man?" the policeman would ask her. "I sure can," she would tell him. "I never forget a face. And I got a real good look at this fellow."

I berated myself for not wearing a mask. Stupid mistake. Amateur hour. Or so it seemed at the time. As it turned out—well, forgoing concealment was a stroke of genius

on my part.

"Bobby Alford!?" the blonde clerk remarked after I told her to open the safe.

Hearing my name uttered in the middle of an armed robbery threw me for a loop. Was I hearing things? Losing it? Going soft in the

head? I imagined myself wearing a straitjacket and confined to a padded cell. Then it hit me. I knew this person.

The blonde hair, the freckles, the voice . . .

“Donna Snyder?” I lowered the gun.

After all, I didn’t want to accidentally blow a hole in my ex-girlfriend. I had dated Donna the summer after graduating from high school, a whirlwind romance that had ended when I boarded a bus for basic training. I hadn’t seen her in at least twelve years. She still looked good. A little heavier, but certainly not fat. Those cute freckles did a number on me, then and now. I felt like a heel, of course, the lowest scum for having held her at gunpoint.

“I wasn’t going to shoot you, Donna,” I said lamely. “That’s the honest——”

“Take the money, Bobby. It’s all yours. I don’t give a damn. They don’t pay me enough to care one way or the other.”

“What about the safe?” I asked.

“I can’t open it,” she said with bitterness. “The manager doesn’t trust me with the combination.”

I believed her. The bitterness in her voice was genuine. Doubtless she was pissed about her lot in life. Donna was capable of so much more. And I was too. Somewhere along the line our lives had gone off track. Mine more than hers, but still . . .

“I’m sorry for scaring you, Donna,” I told her.

“It’s okay,” she said, taking the whole thing in stride.

Her reaction surprised me. After all, I had pointed a loaded gun in her face.

“I’ll give you a good twenty minutes before calling 911. How does that sound, Bobby?”

Like more than I deserve, I thought. “Sounds great.”

“But,” she amended with a cal-

culating grin, “you have to do something for me.”

“Name it.”

Donna named it.

I thought she was joking.

Until she came out from behind the counter, locked the front door, and led me to the back of the building and to the cramped storage

around my ankles, making it hard to walk. I shuffled forward, cock in hand, and skewered her with a forceful thrust. She gasped and turned her head to the side. I grunted and proceeded to pound her in earnest. I screwed her hard and fast, humping and pumping in a mad frenzy until . . .

room . . .

Next thing I knew Donna was crouched on the floor with my cock in her mouth. Just like old times, I mused, standing there and watching her head pump as she treated me to a spectacular blowjob. Time had done nothing to diminish her oral skills.

Having primed me to maximum hardness, Donna rose to her full height and shed every stitch of her clothes. A desk cluttered with invoices provided the perfect surface upon which to fuck.

Donna lay there, her sturdy thighs spread, rubbing her pretty pussy. My pants were bunched

Not holding back she cried out loudly, announcing her orgasm. I withdrew and shot my wad all over her inner thigh. Fucking her made me feel twelve years younger. For a little while, anyway. The depressing realities of my desperate life returned soon enough.

Hands on the wheel, foot on the gas, I sped away from the scene of the crime. The dingy gas station was framed in my dirty rearview mirror. OPEN ALL NIGHT, the cheapo electric sign read. Well, I didn’t know about the “all night” part . . .

But Donna had definitely been open for me and my stickup!

A photograph of two women, Megan and Nataly Von, dressed in schoolgirl attire. They are wearing white collared shirts, dark blazers, and red ties with thin black and white stripes. They are sitting on a red tufted sofa with gold-colored studs. The woman on the left has long dark hair and is looking towards the camera with a slight smile. The woman on the right has blonde hair and is smiling broadly. A third person's leg, wearing a pink polka-dot skirt, is visible in the foreground.

# MEGAN & NATALY VON & IVANA & MEGAN COXXX

Danny D. is coming by and bringing a camera - and his huge cock. Which of these hotties will he get to play with it today? When Danny finally gets there, they'd already warmed up with tongues and vibrators. They then set out to prove just how naughty they can be now that college is done! They strip him and find his big hard dick ready for action. Nataly is the newbie and had not yet had Danny. But she was ready, and immediately sucked and fucked her new boy toy.
